

A Report from our Chattanooga Meeting, August 2nd

AT THE

Chattanooga Chamber Offices

A report from our Chattanooga session.
August 6, 2013. 11:00 AM to 2:00 PM

It was another great weather day to get out of the office and this time head south to Chattanooga.

Maryville College, University of Tennessee at Chattanooga and Chattanooga State were represented along with our speaker, well known to all of us as a past TACE president, **Wayne Hampton** and myself. **Mattie Moran** and **Cathy Humble** from the chamber also attended.

A big thanks to **Mattie** for hosting this meeting and arranging for our Panera Bread box lunches. (There we are, eating again! ☺)

Wayne gave a presentation titled, Leadership, the Disney Way. As usual Wayne did an excellent job and even though I heard this presentation at our last conference, I learned something new. The discussion on certain points was excellent and Wayne seems to have a million "Disney" stories from his many years there to reinforce the key points.

A GREAT Time Was Had By ALL

The Group

Front L to R: **Mattie Moran**, Chamber; **Wayne Hampton**, Disney; **Jean Dake**, UTC
L to R: **Cathy Humble**, Chamber; **Donna Cooper**, UTC; **Rusty Winchester**, Maryville College; **Thema McCowen**, Maryville College; **Stephanie Hollis**, Chattanooga State

Speakers and Hostess

*September 6th would be a great opportunity to invite another recruiter to a TACE event. Who can I call?
I'm sure I can think of someone.*

The first step in getting someone to join TACE is to get them to come to an event. Offer to let them come with you. Be a "recruiter."

Our Recruit the Recruiters event is to bring together the top recruiters of the region to meet career service professionals in the area. This will be a time to discuss strategies which may assist recruiters in the area to have face time on our campuses as well as hear about opportunities for sponsorship and event participation. Our hope is that career service professionals will use this event as an opportunity to reach out to key employers and invite them to meet and hear about our students, campuses, TACE, and SoACE

"If you're not able to take advantage of these when they are close to you you're missing out."
