

A Report from our Pellissippi Meeting, September 6th AT THE Main Campus of Pellissippi State

From Over the Rivers and Down From the Hills

THEY CAME

It was a great weather day to drive to the main campus of **Pellissippi State** in Knoxville. And drive they did. There were attendees from **Cookeville, Johnson City, Dayton, Kingsport, Greenville, Cleveland** and even **Virginia**. (It was great to see Amanda Gardner from Emery & Henry who rode down with the people from the Tri-Cities. She is the chair of the Interstate Job Fair in the tri-state area and is a member of our sister "ACE" in Virginia.)

In all 22 people (a couple of them had to leave before the photo was taken) gathered (plus this writer) and a great time was had by all.

Kristin Pope, from Lee, did a fantastic job filling in for Stacy Ballinger, giving a presentation based on **The Professional Standards for University Relations & Recruiting 2013 from NACE**. It gave us all some things to think about and I thought it was especially good for new recruiters and we had several in our meeting today. After lunch Leslie Fox from ORAU gave a presentation titled **THE VALUE OF BEING A TACE MEMBER**. Both of them are excellent presenters and did a great job. I wish I could take Leslie on the road to talk to non members! I'll be stealing ... borrowing some things from her presentation.

And of course we ate...an excellent salad bar and "killer" deserts (kinda' canceled out the salad bar) prepared by the food services folks at Pellissippi and provided by the graciousness of Carolyn Carson and Pellissippi.

Thank you Carolyn Carson for hosting us.

You don't want to miss this. It's back by popular demand after first presenting at our Summer Breakout in Crossville. ALL members need to know how the landscape is changing on a national level and how that affects each one of us.

Coming to a Job Fair on YOUR Campus

I was able to debut our new TACE Job Fair recruiting table at the meeting. We're asking each campus to allow us to have space for a 4 foot table somewhere visible to recruiters attending your fair, possibly in the meal area.

Recruiting begins with visibility.

I attended a small job fair last week and was able to talk to 4-5 recruiters there who didn't realize there was an organization like ours. But visibility will not be enough, for most it will take a personal invitation ... from **YOU**.

To help you start the conversation we've created a membership certificate suitable for displaying in your office. We also have a small brochure now available. To receive your certificate and/or brochures email TACEPRES2013@gmail.com
